

- 1) Description: 2016 Region 4 Modelers Workshop. Presentations by EPA Region 4 staff, OAQPS staff, and Region 4 State and Local Modelers. Topics to be discussed include, but are not limited to the following: Status/Content of Proposed Appendix W; SO2 Data Requirements Rule Modeling; Regulatory, Policy, and Permitting Updates; Modeling Emission Inventories; AERMOD, AERSCREEN, & AERSURFACE Updates; Photochemical Modeling Capabilities; Toxic Air Pollutants; Class I Area Permit Modeling; Designations; PM2.5 Modeling; and Mobile Source Inventories and Modeling.
- 2) Title: 2016 Region 4 Modelers Workshop
- 3) The workshop typically takes place every two years. It is essentially the modelers' equivalent of the Region 4 Air Monitoring Workshop that took place in Athens last week. The last two workshops were November 2014 and November 2012.
- 4) Address:  
  
Sam Nunn Atlanta Federal Center  
61 Forsyth Street, S.W.  
Atlanta, GA 30324
