

I do not think that I have enough students from out-of-town to create a room-block.

The most commonly used hotels are the Hilton Atlanta Airport, Drury Inn & Suites Atlanta Airport or the Country Inn & Suites by Carlson.

About the Hilton (4 star): great place with a sports bar. **1-404-767-9000**

About the Drury Inn (3 star): Within walking distance to several restaurants. Some people have complained about it being too close to the noisy airport. Free hot breakfast and free hot food and cold beverages at our evening 5:30 Kickback®. **1270 Virginia Ave, Atlanta, GA 30344, (404) 761-4900.**

About the Country Inn (2 star): sometimes you can get an under per-diem rate here. When a large group of people from out-of-town have arrived, they have stayed here. It is quieter and has a complimentary breakfast. **Address: 1365 Hardin Ave, Atlanta, GA 30344, (404) 767-9787.** Left side of image below and is seen about the Arby's Icon.
